

It's a beautiful day  
and the sun is shining  
and the birds are singing  
and the flowers are blooming  
and the children are playing  
and the world is full of joy  
and love and hope  
and the future is bright  
and the future is ours

It's a beautiful day  
and the sun is shining  
and the birds are singing  
and the flowers are blooming  
and the children are playing  
and the world is full of joy  
and love and hope  
and the future is bright  
and the future is ours
